Silver Creek Outfitters

Many of you have fished with Julie Meissner and Sawtooth Fishing Guides over the years. We’re pleased to announce that Silver Creek Outfitters has acquired Sawtooth Fishing, and that Julie will continue to guide with them. Ranch casting clinics and your favorite Sawtooth Valley fishing spots also will remain. New venues to cast your lines and guides to lead you there will provide additional opportunities for anglers. To book a trip call or email McCoy’s Tackle Shop at (208) 774-3377 or mccoys@ruralnetwork.net; if you would like to fish with Julie

or any of her guides from years past, just let them know. Silver Creek Outfitters headquarters is located on North Main Street in Ketchum.
