Wildflower Enthusiasts: don't miss your chance to capture the vibrant colors of your favorite wildflowers. Indian paintbrush, sego lilies and lupine decorate every trail.

With the Salmon River water level dropping and the temperature rising, fishing is at its best in the Stanley Basin. Cast a hopper, set the hook and reel in a cutthroat, trout or a whitefish.

Experience Idaho's mining heritage at Bayhorse Ghost Town located 8 miles south of Challis. Tucked away in a narrow canyon was a forgotten silver and copper mining town until the Idaho State Park system restored and opened it this year. A walking tour creates the illusion of life in a mining town over a century ago.

We hope you will visit this summer for our special events, dinner, and a stay-or va-cation, to experience the ranch's unique program. Fine food and amenities, gracious hospitality and nature's rich and simple pleasures await you.

Thank you for allowing us to stay in touch with you. We look forward to seeing you here at the ranch.
